Feedback Analysis & Action Taken / 2020 - 2021

The questionnaire was sent through the online platform, Google Forms. The link was served to the current set of students and the responses were collected. All the respondents answered all the questions. The graphical representation was prepared on the basis of the options chosen by the respondents.

Criterion	Analysis	Action Taken
The newness of the Outcome-based Syllabus	The comprehension of the newness of the syllabus has increased among the stakeholders. Most of them feel the syllabus taught to them is good and excellent.	The institution has displayed the PSOs, POs, and the COs in the view of the students and drives home the importance of them, as correlation to the Programme they learn.

Learning outcomes of the Programme (in terms of skills, concepts, knowledge, analytical abilities, or broadening perspectives)	Comparing the previous year responses. The there is an increasing knowledge among the students about the skills that can be achieved through the Programme they learn.	More Internship Training Programmes, Hands-on-training Programmes and Field Visits have been arranged to improve the level of attainment of learning outcomes.
The adequacy and relevancy of the syllabus	The percentage of stakeholders who could not grasp the relevancy of the syllabus has become less.	The students are asked to pursue more number of Add-on courses, offered by the institution, so that the relevancy of the syllabus could be fulfilled.
Depth of the course content (syllabus)	Nearly 7% of the learners feel the five units in the course content does not hold enough challenging material	The course content is complemented by the advice given given to the students to do extra reading and utilizing the library resources.
The importance given to the skill-oriented courses	Many the respondents are satisfied with the skill-based courses, offered by the college.	No alterations needed in the present syllabus.
The compatibility between your background and the Programme	A few respondents feel the coordination between their background and the Programme they learn is less.	To make the students come out of their shells, Spoken English and Communicative English Courses are given.
The coverage of the syllabus by the teachers	Majority of the students is of the opinion that the syllabus covering work done by the teachers is satisfactory.	The Heads of the departments monitor the work assigned and the completion of the work by the teachers regularly.
The library holdings for the courses	A few students expect more reference books in the library. So they feel the library does not	The library has been enriched with more number of books and availability of e-resources.

	cater to their needs.	
The internal and external evaluation system of the college	The learners are satisfied with the evaluation system followed by the faculty.	No alterations nor modifications needed in the present pattern of examinations.
Overall rating of the Programme	Majority of the students are satisfied with the Programme they study.	The number of students who pursue their higher studies has increased.
